

# The Hub for Pastoral and Ministry Flourishing

## Our mission is to help pastors and ministry leaders thrive.

We believe the local church is the hope of the world. Neighborhoods with healthy churches are better equipped to navigate the complexities of our time and care for the needs of their communities.

Whether it is St. Johns or the Interstate Bridge that links Portland and Vancouver, the Northwest depends on its bridges. A bridge is a pathway over a barrier or obstacle that is keeping us from our destination. At The Hub, we believe that each leader, church, and community is unique. Our desire is to provide a concierge approach to each relationship, walking alongside local church and ministry leaders—listening to their needs and offering personalized support to help them overcome whatever barrier is in their way.
