We all may experience peace a little different based on our life experience, but ultimately, peace means God is with us, and nothing in this world can take that away! There are lots of things in life that can make us feel worried and afraid. But the peace Jesus gives us will help us get through those tough times. And the peace He offers also makes us right with God—restoring our relationship so we can live with Him forever. What a reason to celebrate, even after Christmas is over!

### The Gift of Peace

Did you know that God gives His peace to everyone? Ask an adult to help you look up Philippians 4:7 and highlight it. This verse tells us that because we belong to God, He will give us peace that watches over our hearts and minds. That means that God can bring a quiet and calmness to us when we are scared, when we are angry or even frustrated.

Let's ask Him to help us remember that today and always.

*Dear God, Thank You for giving us so much to celebrate during this season.  
Thank You for bringing us joy and peace. Help us to remember that You  
will give us peace in the good times and in the bad. We love You, amen.*
