Family Activities:

Build Something Strong

Grab some stackable materials. Start stacking one item right on top of the other and see how tall you can get the tower before it falls over. After it falls, start again. But this time create a stronger foundation by putting more blocks on the bottom and working your way up. Just like building a strong foundation for your tower, always speaking the truth sets a good foundation for your relationships with friends and family!

Know that when you build your life on truth you will have stronger relationships with God and those around you.

Staying Close to God

Read 1 John 1:9

In the space below, write down what you think the word "sin" means?

Sin is basically anything we do that we know is wrong. As you probably know, everyone sins. God does not sin. He is perfect. He doesn't break His promises. And though our perfect heavenly Father has every right to point out all our imperfect actions, He is fair. He promises to forgive us for every wrong thing we have done.

But there is something you and I need to do when we mess up. We need to confess—which simply means to admit or be honest about what we've done. Since God always keeps His promises, we can know that He forgives us, always. Being truthful with God keeps you close to Him.

So, think back over your day. Can you think of a time when you messed up? Admit it to God and ask His forgiveness. Be honest. And if you've hurt someone else, talk to God about what you could do to make it right.
