## PRAYER:

Dear God, family is such a special gift You have given us. We are so thankful for the way family help us. I pray we will be a family that is excited to help each other! Remind us this week of new ways we can help each other and show our love to this family! We love You, God. In Jesus' name, amen

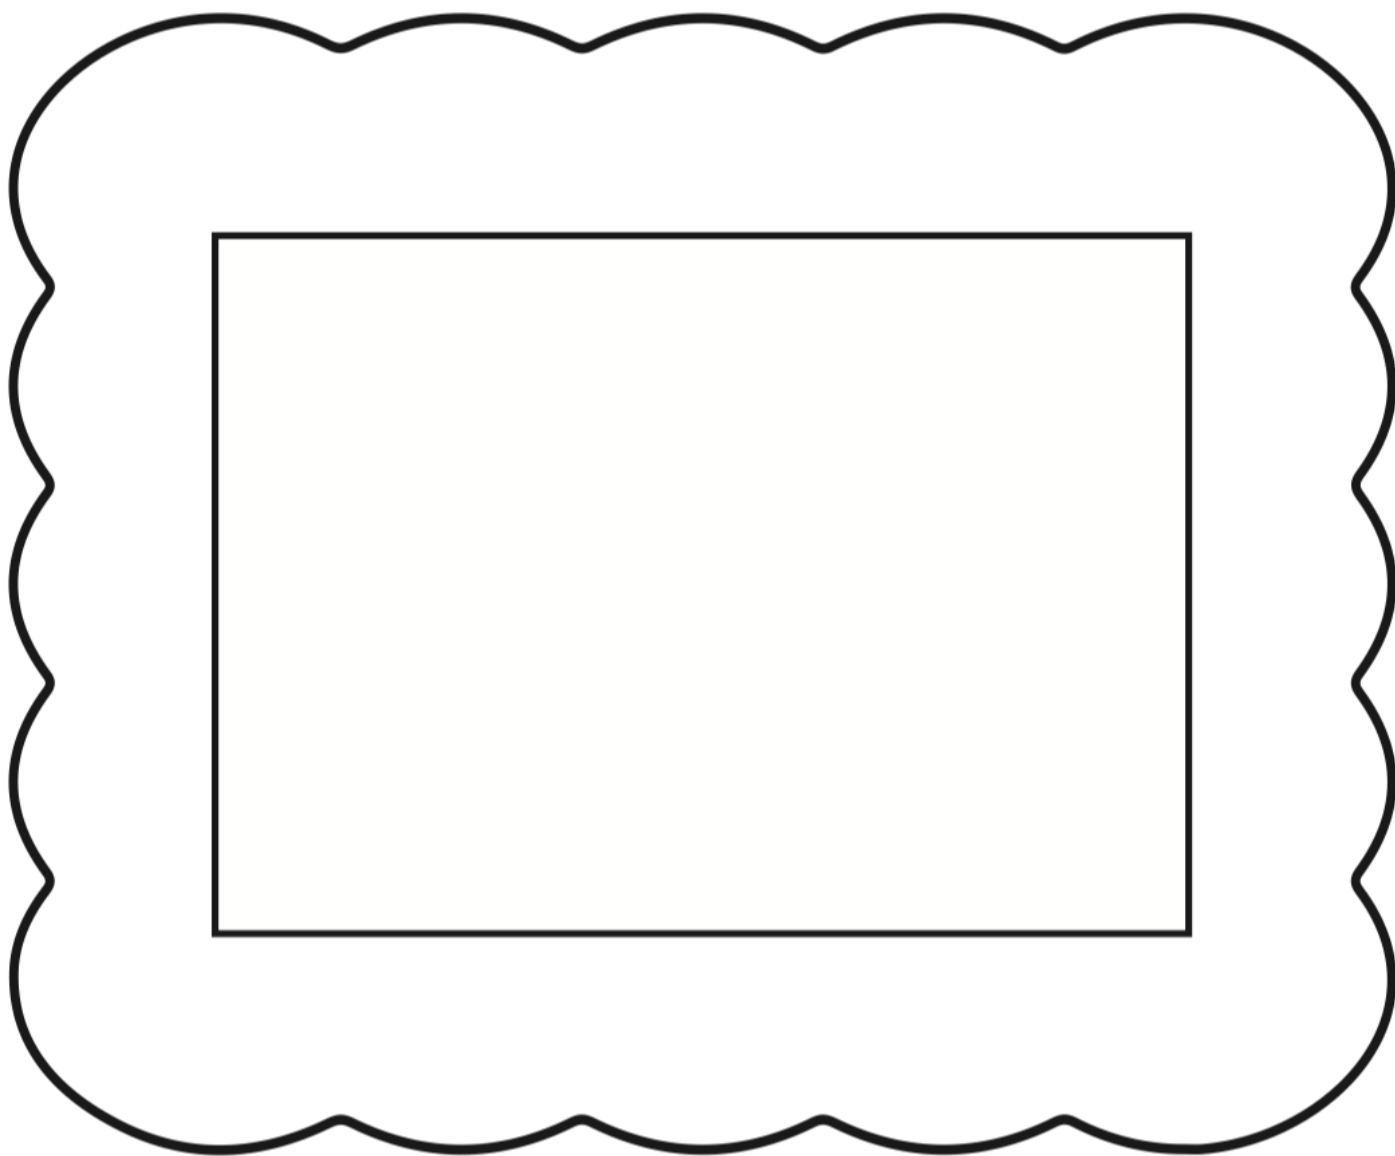

## FAMILY ACTIVITIES:

### THANKFUL TREES

**WHAT YOU DO:** *If you started this activity last week, add to it this week.* As a family, discuss the things that you are thankful for. As each person shares, write down their answers on a piece of paper and collect them in a jar or coffee mug. This is an activity to do every day or each week until the end of November so find a creative way to save each answer so you can read them together at the end of the month. Optional: Draw or print a picture of tree and write each person's answer at the top as though the tree is filling with leaves!

### FAMILY PICTURES

**WHAT YOU DO:** Print the Family Frame page that is attached here. Encourage your child to draw a picture of their family. Put the picture somewhere you can see it this week and each time you pass by it, point out to your child that we can thank God for our family!

**I can thank God for my family.**
