Bottom Line: I can love like Jesus!

THIS WEEK WE'RE LEARNING:

When you love like Jesus, you will be
a light.

MATTHEW 5:14-16

MEMORY VERSE:

"Love each other as I have loved
you." JOHN 15:12, NIV

MOTIONS:

Love each other - hug yourself

As I - point up

Have loved you - point thumbs to
chest

PRAYER:

Dear God, thank You for sending
Jesus to teach us how to love each
other. Sometimes it's hard, but we
know Jesus is with us and will help us
love like He loves. Help us love others.
We want to be a shining light of love
everywhere we go. We love You, God.
In Jesus' name, amen

FAMILY ACTIVITIES: SHINE YOUR LIGHT

WHAT YOU DO: Read the attached
game cards one at a time. If what
you read is a way we can love like
Jesus, have your child make their
light shine (either a flashlight or
just opening and closing their
hands like turning a light on or
off). If what you read is not how
we love like Jesus, then make sure
their light is off. When we love
others the way Jesus loves us, we
shine our light. That light tells the
world that Jesus loves them

GET IN AND DRIVE

WHAT YOU DO: Using materials
from around the house, like boxes
and flashlights and paper plates,
have your child make a car. Tell
them that this month, we are
talking about how they can "Start
your engines, and GO be a light in
the world like Jesus!"

You have two toy cars so you share one of your cars with your little brother so he can play.

Your friend does not have a snack so you give him one of your cookies.

You get very angry with your big sister so you yell at her and say mean words.

You see your dad picking up toys in the living room and you help him.

Your neighbor is sick so you pick some flowers and give them to her.

Your coat is too small, but there's nothing wrong with it, so you give it to another child who needs a coat to stay warm.

You go to the store to buy extra school supplies to give to other children who don't have school supplies.

You get mad at your mom because she won't let you have candy so you scream at her and tell her you don't like her.

A new family moves into a house on your street so you and your mom make cookies to take to them.

One of the children in your class breaks one of your crayons. You forgive them instead of getting mad.

One of your friends is having a birthday party so you pick out a present you know they will really like and you give it to them.

Your friend is sad so you draw them a picture and try and make them feel better.

You scream angry words at your mom but later you tell her you're sorry and ask her to forgive you.

You have four cookies and your sister has no cookies. You hide all of your cookies so you won't have to share them with your sister.

You have A LOT of toys that you never play with so you go through them and pick some to give to children who don't have any toys.

You sell lemonade and cookies and then give all the money you make to help families have food to eat.
