

Ice Breaker

Share Highs & Lows together with your group.

Sermon Discussion Questions

- Read Luke 11:1-13 Together as a group.
- The Lord's prayer speaks to God's provision
 - Do you look to God for practical provision or do you assume it all relies on you? How has that impacted your life? In what ways might Jesus be calling you to think differently?
- When Josh described God as a better friend and a better father, how did that sit with you?
 - How have you experienced God to be a better friend and father in your life?

Here's a quote that stood out to me from the message. Feel free to share what stood out to you with your group or discuss this quote from Josh Butler, *"Jesus knows that our biggest challenge in prayer is not that we don't know HOW to pray, it's that we don't always trust WHO we pray to."*

Devotional

Take time as a group and look at day four and pray the Lord's prayer together, using the prayer as a jumping off point.
