

Ice Breaker

- Take some time this week to share your Highs & lows. This is a great way to connect a bit deeper on what's happening in people's lives.

Sermon Discussion Questions

- How would you define identity? John described it as “how we see ourselves” in the message. Would you add anything to that definition?
- What are things in your life, whether past or present, that you have tied your identity to?
- What are some things that get in the way of us seeing ourselves the way God sees us?
